IMPORTANT NOTE (FOR CITIZENS ONLY) :

As part of the requirement to qualify for MSF subsidy monthly claim in accordance to ECDA's guidelines, child must attend centre for at least one day to be eligible for subsidy. Please make plan to fulfill this requirement. Your child will be temporary withdrawn from the subsidy claim if you do not meet this one day requirement. Please inform the school admin in the event that your child will be absent for the whole month and you would need to complete the ECDA Form 3. During this absent month, the monthly school fee is still payable. This is because the total cost of running a school and the corresponding fees payable are calculated on an annual basis. The fees payable are then spread out over a month of 12 months.
